

January 15, 2021

Hello STHS and Mt. Tallac Students and Families,

Our staff has been receiving the COVID-19 vaccines this week! We are absolutely thrilled to reach this milestone and look forward to our booster shot in the coming weeks. Whoo hoo!

**No school on Monday in celebration of Dr. Martin Luther King's life and legacy.**

**Today's message includes:**

- Ms. Sinkler's Summer Retirement
- Fall Term Text Return
- Spring Term Schedule Update
- All School Musical
- January Family Engagement and Important Dates
- Support Resources

**Ms. Sinkler' Summer Retirement**

*Dear High School Community,*

*I sent an email to our students today letting them know that this summer, I will be retiring as Principal to explore teaching at the college level and to spend more time with my family. I will be Principal through the remainder of the school year and am looking forward to seeing students in classes on campus as soon as we are able and celebrating graduation with the Class of 2021.*

*I have enjoyed working with families in partnership as we work together on behalf of the youth in South Lake Tahoe. I have also worked with many talented and dedicated staff in the district! However, my greatest joy has been serving our students and watching them grow. I am so proud of them!*

*I am grateful for the opportunity to serve the community of South Lake Tahoe and appreciate the leadership and direction of the district. I also look forward to supporting a smooth and successful transition for our next school leader.*

*You will continue to hear from me throughout the Spring Term and again, thank you for your partnership, inspiration, and support.*

*In Gratitude,  
Carline Sinkler*

## Fall Term Text/Materials Return

- We will accept texts/materials from the Fall Term for return **January 19th through the 27th.**
- Materials will be collected at the entrance to Stadium View (overlooking the football field) **Monday-Friday from 1-3pm.** We ask that you enter from 13th street and exit down Viking Way.
- Teachers will communicate with students as to when the class will be finished with their texts/materials and can be returned.

Thank you for your assistance with text/materials return!

More information to follow for text/material distribution for the Spring Term.

## Spring Term Schedule Update

**Spring Term schedules will primarily stay the same. Students who have indicated that they want to remain in distance learning will join classes virtually when we are able to transition to in-person classes.** Given the wide variety of requests, this is the best way to provide access to both virtual and in-person learning. We will share more information when we get closer to a transition point. As a reminder, the high schools cannot transition to hybrid classes until the county has been in the Red Tier for at least 14 consecutive days and the district has determined it is time to return according to the LTUSD Pandemic Plan. .

## Wanted! Singers, Dancers, Actors, Tech!

Auditions for the ALL SCHOOL MUSICAL are next week! Get Elective Credit if cast! Please prepare a song from a Broadway Musical and send your audition video to

[www.iniven@ltusd.org](mailto:www.iniven@ltusd.org) by Monday, January 18!

All rehearsals & performances will be through Zoom, unless restrictions change.

Call backs will be Wed. & Thurs. through Zoom. Look for the callback list and Zoom link in your email or in Canvas if you are in one of Niv's classes! Please be prepared to sing, dance & read.

**1/18 MLK Jr. Holiday**

**1/27 Cafecitos /ELAC Meeting 5:30pm**

**1/28-29 Finals/End of First Term**
