

April 9, 2021

Hello STHS and Mt. Tallac Students and Families,

We wish everyone a safe and healthy Spring Break! It is vital that students pay particular attention to the [COVID-19 Self-Screening Tool](#) if your travels take you to areas with high rates of COVID-19. Please contact the attendance office or the Nurse if you have questions. If in doubt, join the class virtually (call attendance!) to make sure we start the remaining weeks off safely!

**April 26th school days on M, Tu, Th, Fr to return to regular length**

Beginning April 26th, STHS will be extending the school day to the length of a regular school day four days per week (Monday, Tuesday, Thursday, Friday). Times may be very similar to a regular school year with start time at 7:55 and end time at 2:35. As we are still in hybrid, Cohorts A will come to school for full days on Monday and Tuesday and Cohort B will continue to come to school on Thursday and Friday.

Wednesday mornings will include in-person student contact time for students who need additional support and acceleration. Students will be contacted and highly encouraged to attend this opportunity. Bus transportation will be provided. Start and end times will be tentatively 8:20 - 11:20. Students who are not in person will continue with asynchronous assignments in Canvas.

Mt. Tallac schedule will be communicated by Mt. Tallac staff.

Stream Performances April, 9 & 10, 16 & 17 through [www.ShowTix4U.com](http://www.ShowTix4U.com)

**Almost, Maine** is a place that's so far north, it's almost not in the United States. It's almost in Canada. And it's not quite a town, because its residents never got around to getting organized. So it almost doesn't exist. One cold, clear, winternight, as the northern lights hover in the star-filled sky above, the residents of Almost, Maine, find themselves falling in and out of love in unexpected and hilarious ways. Knees are bruised. Hearts are broken. But the bruises heal, and the hearts mend - almost - in this delightful midwinter night's dream.
