Hello STHS and Mt. Tallac Students and Families,

Our hearts go out to our friends and families who are facing incredible challenges across California and beyond. Today, as we remember those who were lost on 9/11/2001 and the heroic efforts of first responders, we also want to recognize those front lines of wildfires - thank you for working through what must be unimaginable exhaustion to defend our forests and communities.

**This week's message includes:**

- Fall Welcome Videos
- Attendance
- Links for Student Support Requests
- Family Engagement: Meetings and Dates: Boosters and PABA next week

**Fall Welcome Videos** were sent by teachers and an introductory video is included on the [STHS Website](#). We have been visiting virtual classes and it is incredible to see how our teachers are adapting and our students are participating in distance learning. Kudos to everyone for problem-solving and learning together!

**Attendance**

Our administration has been visiting virtual classrooms and it is clear that important learning is going on during this time.

**PLEASE NOTE:** Students who are out of town during Distance Learning still need to report to virtual classes during the school day (8:30 am-12:45 pm) and keep up with the work on Canvas. The best time for teachers to help you is during the scheduled class time and school day. We are not offering Independent Study during Distance Learning because students can access work remotely. Please contact your counselor if you have any questions.

**Student Support Requests**

- **Chromebook Support:** Having trouble with your Chromebook? Check this website for tips on fixing common Chromebook problems: [Chromebook Technical Help Page](#).
- [Student Canvas & Virtual Meet Request](#) for general Canvas or virtual link support.
- [Counseling Support Request](#)- Please use this form to request support for academics, emotional health, or the need for resources. Your counselor will work with you to connect you to what you need. We are here for you! If you are in crisis and need immediate help call one of the [24-hour crisis lines](#).

## Parent/Family Meetings Next Week
