Spring Term Schedules

Spring Term begins on Tuesday, January 21st. Please check your schedules in Aeries as there may be changes. Every year, counselors need to make some moves based on class size and changes in enrollment. Counselors try their best to keep schedules as much the same as possible.

Spring Term Welcome

- Based on feedback from parents and their desire to see classrooms and/or spend more time with teachers, Spring Welcome will include visits to classrooms and will look similar to Fall Welcome but with more flexibility.
- Teachers will be in classrooms and rather than facilitating timed, bell oriented, presentations, teachers will be available as a host for informal meet and greets with parents as they arrive. NO bells will sound other than at 7 pm for the conclusion of the evening.
- More information will be sent in a separate communication as we get closer to the event.
