

South Tahoe High School

Online Course Registration Process Incoming Freshman

1. Log in to your Aeries **Parent** Portal account
(students *cannot* access the course requests)
2. Click on **Change Student**
3. Select the student account that is designated as PRE-ENROLLED
4. Next, click on Student Info on the navigation bar
5. Select Course Requests Entry
6. Using the Course Request Form as a guide, select one course from each required subject area:
 - a. English
 - b. Social Science
 - c. Math – if you select the year-long math (HS Math I Y or HS Math II Y) you must also select the support class that goes with it. The support class is listed directly under the math class on the Course Request form.
 - d. Science
 - e. PE – please enter all three course numbers (0229, 1103 and 1720). PE is year-long every other day with Health and CCC Ten Year Plan. (These count as **TWO** courses, not three)
7. **It is strongly recommended that you enter the course numbers to select the courses, do not search by subject area.**
8. Select 2 electives
9. Select at least 3 alternates in order of preference (the first selection in the top spot, etc.)

You are finished!
