

ALMOST, MAINE IS HERE!

STHS Drama Department presents *Almost, Maine* by John Cariani. Welcome to *Almost, Maine*, a place so far north, it's almost not in the US. It's almost in Canada. And it's not quite a town, because its residents never got around to getting organized. So it almost doesn't exist. One cold, clear, winter night, as the northern lights hover in the star-filled sky above, the residents of *Almost, Maine*, find themselves falling in and out of love in unexpected and hilarious ways. Knees are bruised. Hearts are broken. But the bruises heal, and the hearts mend - almost - in this delightful midwinter night's dream. Filmed entirely on the STHS/TADA Theatre Stage during Covid-19. Actors are wearing masks for their safety and to follow CDC guidelines. Please rally around these exceptional students during a stressful time. Special thanks to John Cariani and DPS for allowing us to perform in this way and to Travis Steil and Douglas Abbott for their patience & time in filming and editing.
